

**American Rescue Plan Elementary and Secondary School Emergency Relief Requirement for
ARP ESSER School District Plan**

Updated: 6/2/2021

The American Rescue Plan (ARP) Elementary and Secondary School Emergency Relief (ESSER) Fund was established in response to the immense challenges facing students, educators, staff, schools, and districts in preparing for and responding to COVID-19. The funds are for a wide array of activities to address diverse needs arising from or exacerbated by the pandemic, or to emerge stronger post-pandemic. This includes responding to students’ social, emotional, mental health, and academic needs. Because of the unprecedented, one-time funding available to districts, the South Dakota Department of Education (the department) encourages school districts to invest the funding strategically. Investments should provide sustained benefits to students and positively impact the district long-term.

The below plan must be completed by each public school district receiving funding under the ARP ESSER, developed in concert with stakeholders as detailed below and available for public comment. Districts must submit this plan to the department by Aug. 20, 2021; all funds must be obligated by Sept. 30, 2024. All funds must be liquidated by Dec. 10, 2024.

The ARP ESSER School District Plan Template is based on the U.S. Department of Education (US ED) Interim Final Rules 34 CFR Chapter II, Docket IDED-2021-OESE-0061 from April 22, 2021, the [ARP State Plan](#) issued April 21, 2021 from US ED, and US ED’s [Frequently Asked Questions](#) issued May 2021.

This plan must be provided in formats accessible to parents who speak a language other than English and individuals with disabilities.
